## SAGE SUSTAINABLE BUSINESS PROGRAM

### SAVE | ACT | GROW | EARN

SAGE approaches sustainability through a business-first lens that connects your business to financial resources, technical assistance, and expertise to increase your business value through cost reduction, increased community recognition, conservations of resources, and improved competitive advantage over time.

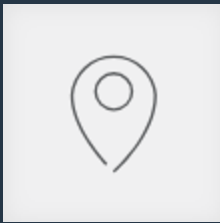

To learn more about the SAGE contact our team at: [sage@westminsterco.gov](mailto:sage@westminsterco.gov) or at 303.658.2662.

### **Restaurants & Bars: FREE Glass Recycling**

If you are recycling your glass bottles, unfortunately much of it will still end up in the landfill and only 12% of glass in Colorado is actually recycled. To give glass the best chance of being recycled into a new product, it must be recycled and collected separately. Don't Trash Glass will provide indoor & outdoor containers for collection, staff training, and pick-up from your business.

The SAGE Program is covering 6 months of glass recycling for Westminster bars and restaurants. To learn more, email [sage@westminsterco.gov](mailto:sage@westminsterco.gov) or at 303.658.2662.
