

Business Assistance Programs

Grants & Financial Resources

Small Business Capital Project Grant provides project-related, financial assistance on a reimbursement basis, to encourage the growth and retention of existing Westminster businesses. The program reimburses 10 percent of the costs of real property improvements or tangible property purchases up to \$5,000 per business, per calendar year.

Small Business Scholarship Grant provides reimbursement of business training expenses to licenses Westminster entrepreneurs and small business owners/employers with 50 or fewer employees. The program reimburses 50 percent of the cost of tuition, fees, and required materials, up to \$500 per business, per calendar year, after successful completion of courses.

SAGE Sustainable Business Accelerator Grant provides project-related, financial assistance on a reimbursement basis, of sustainability upgrades and services, that facilitate cost reductions and support resource conservation and environmentally friendly business operations. The program reimburses 50 percent of eligible expenses up to \$3,000 per business, per calendar year.

Business Face-Lift Grant provides project-related, financial assistance on a reimbursement basis for eligible improvements in the Historic Westminster area (geographically bounded-must be located south of 80th, north of 68th, west of Federal, and east of Sheridan). The program reimburses 50 percent of eligible property improvements up to \$5,000 per business, per calendar year.

Job Training Incentive Grant provides financial assistance on a reimbursement basis, to encourage the hiring and training of a local workforce. Additional funds are available for hiring recent graduates from local institutions. The program reimburses up to \$5,000, plus an additional 25%, or \$1,250, if hiring from a local institution, per business, per calendar year.
