## Police Department - Reminder

 COMMUNITY ALERT: Burglaries 

The Westminster Police Department would like to remind you of a burglary trend happening across the metro area. This trend has recently impacted our community with multiple small business and home burglaries. The individuals committing these crimes

are known to follow small business owners' home from work and burglarize their homes while they are away. In some cases, these suspects will place trackers on victims' vehicles and/or monitor their homes with hidden surveillance cameras.
